**Latest Courses**  
[Pre-glazed Impact Storefront Delivery System](#)  
NEW:  | Storefront fabrication and delivery is done in two primary followed by jobsite delivery direct from the factory. A majority enter set weep systems. These systems don't require any weep designs. This course is focused on the fabrication, ice doors. Impact products require additional attention to manufacturing standards due to the safety of structures and occupants within.  
Price : Free | LU: 1.0 | CEU: .10 | HSW: Yes | SD: No | Sponsor: Aldora Aluminum and Glass Products Inc. | [About the](#)

To reset your password click on the link Forgot your Password.

## Step 2

Enter your account email in the email field and press the button labeled "Send". See figure below.

**Forgot password?**  
This area helps to restore password if you forgot it.  
Password recovery steps:  
1) Input the email address you used when you signed up.  
2) A link to password change option will be emailed to the account email address. The link will be active for 24 hours. Another variant: if the wrong email address is entered you will receive an email notifying you that the email address doesn't exist in our database or (if you are not a registered system user or input wrong email address).

Email:    
Enter account email.

# Recovering your Architect-Forum.com Username & Password

You will see a message after pressing the button.

## Forgot password?

This area helps to restore password if you forgot it.

Email is sent to (yourename@yourdomain.com). Check your inbox.

## Step 3

Check you're A-F account email inbox. You will see an email from Architect Forum

The body of the email will look like the text below.

Hello, John Doe!

We received password recovery request from you. If this request was sent by you, follow the link Password recovery.

Disregard the message if you didn't request it. Password recovery link will become inactive in 24 hours.

Thank you for using our services!

Click on the Password Recovery link in the email and it will take you to our web site so that you can reset your password.

After you have reset your Architect-Forum account password you will receive another email.

The email will look like the text below.

John Doe, your password at <http://lms.architect-forum.com/> has been changed to YourNewPassword , Login: John Doe

## Step 4

Go to <http://lms.architect-forum.com/> and log in with your new password.

If you still need help please email [katherine@architect-forum.com](mailto:katherine@architect-forum.com) with your Username and account email and we will manually reset password for you.

Thank you,  
Architect Forum Admin
